Re: DIF allocation for the Gaslamp 5th Ave Promenade

At our September 16, 2020 meeting, the Downtown Community Planning Council voted 16-1 to recommend the allocation of \$1.5M of Downtown DIFs towards the Gaslamp 5th Avenue Promenade. As offered by Micheal Trimble, Executive Director of the Gaslamp Quarter Association, it was agreed that these funds would be spent on direct construction costs and not for design or engineering.

DCPC supports the project as a whole and looks forward to its completion.

Cordially,

Bill Orabone
